CASE # 1:13-cv-02383

Sheila M. Finnegan
Magistrate Judge

Motion, Inquiring Judgement on Motion to Compel
Discovery on Defendant Cynthia Garcia.

Plaintiff, Joseph Tillman, comes forth seeking an answer to Motion to Compel/Compel Discovery filed: September 21, 2014 by plaintiff in this matter. The Honorable Judge gave order in regards to defendant Mindi Pierce. No answer was given in regards to the defendant Cynthia Garcia.

Plaintiff began discovery with Cynthia Garcia with Interrogatories and Production of Documents on October 12, 2013. Plaintiff submitted again Production of Documents and Interrogatories to Defendant when filing original motion to compel. Plaintiff also submitted a good faith attempt to resolve discovery to Cynthia Garcia through counsel on her behalf Michael R. Stevis Cunningham, Meyer & Verdine, P.C. 1 East Wacker Drive Suite

Suite 2200 Chicago IL 60601.

These documents were submitted to the courts by Plaintiff, Joseph Tillman, September 21, 2014, to date January 18, 2015, plaintiff in this matter has not received judgement from this Honorable Judge regarding Cynthia Garcia.

Cynthia Garcia, or attorneys on her behalf, to this date, January 18, 2015, has yet to try to resolve any discovery issues. Due to this plaintiff once again moves this court for an order pursuant to 37(a)(4) requiring Defendant Cynthia Garcia to pay plaintiff the sum of \$350.00~~00~~, as reasonable expenses in obtaining this order. On the grounds that Defendants refusal to answer the interrogatories and production of documents, had no substantial justification. Also because defendants have not responded to plaintiff at all in any capacity.

I ask that the Honorable Judge please grant Plaintiff's Motion.

January 18, 2015

Respectfully Submitted,
Joseph Tillman
